

PUBLIC MEMBERS

Sacramento Region

Alfred Montna
12755 Garden Hwy
Yuba City, CA 95991

Alfred Montna is Chairman of the Board of Feather River State Bank in Yuba City. He served on the Board of Directors for the California Rice Industry Association from 1991-1996. Montna is a member of the Agricultural Task Force for Resource Conservation and Economic Development, the Agricultural Network, and Cal Poly San Luis Obispo's College of Agriculture Advisory Council. He is the California delegate from the U.S. Rice Producers' Group to the USA Rice Federation, where he is the Chairman of the Waterfowl Committee.

Delta Region

Patrick Johnston
1700 L Street
Sacramento, CA 95814

Patrick Johnston is a Legislative Consultant representing clients whose interests include education, insurance, land use conservation and energy. He served 10 years as a California State Senator representing San Joaquin County (D-Stockton) and 10 years in the State Assembly. He chaired the Senate Appropriations Committee for six years and the Assembly Finance and Insurance Committee for four years.

San Joaquin Region

Jim Costa
2037 W. Bullard Avenue, PMB 509
Fresno, CA 93711

Jim Costa served in the California State Assembly where he served as Chair of the Assembly Water, Parks, and Wildlife Committee and the Assembly Ways and Means Subcommittee on Resources. He served in the California State Senate, beginning in 1994, as Chair of the Agriculture and Water Resources Committee, and served as a member of the Banking, Commerce and International Trade Committee, the Housing and Community Development Committee, and the Transportation Committee.

Senator Costa's major legislative accomplishments include spearheading the effort that obtained \$26 million for a UCSF-Fresno Medical Education and Research Center; forging historic agreements that became Proposition 204, the Safe, Clean, Reliable Water Supply Act of 1996 and Proposition 13 and SB 1653.

San Francisco Bay Region

Susan Kennedy
Fairfax, CA 94930

Susan Kennedy was nominated by Governor Gray Davis to serve on the California Public Utilities Commission (CPUC) on January 10, 2003. Prior to joining the CPUC, Ms. Kennedy served as Cabinet Secretary and Deputy Chief of Staff in the administration of Governor Davis.

Prior to joining the Davis Administration, Ms. Kennedy served as Communications Director for U.S. Senator Dianne Feinstein. As a senior member of the Senator's Washington, D.C. staff, Ms. Kennedy assisted the Senator with the development of legislation and policy initiatives, media relations, and community outreach.

Southern California Region

Paula Daniels
3435 Wilshire Blvd., Suite 1100
Los Angeles, CA 90010

Paula A. Daniels is in an attorney with the public interest law firm of Litt & Associates, and also practices as a mediator and arbitrator. She is President of the Asian Pacific American Bar Association, and also serves on the board of the Asian Pacific American Dispute Resolution Center, and the Advisory Council of the Korean American Democratic Committee. She has been a regional governor of the National Asian Pacific American Bar Association, a delegate to the Coalition of Bar Associations of Color, and has been a President of the Board of the Korean Youth and Community.

She has significant involvement in environmental policy issues, most recently as a member of the Bay-Delta Authority, and previously as a commissioner with the California Coastal Commission. She is an executive officer of the Board of Directors of Heal the Bay, the California League of Conservation Voters, and the Liberty Hill Environmental Justice Community Funding. Ms. Daniels has also served on the State Bar Committee on the Administration of Justice and on the Alternative Dispute Resolution (ADR) Committee of the Los Angeles Superior Courts.

ASSEMBLY APPOINTEE

Daniel Wheeler
16324 Magenta Terrace
Chino Hills, CA 91709

Daniel Wheeler has been a special representative for the State of California for the United Association of Plumbers, Pipe Fitters and Sprinkler Fitters International Union since 2000. He has been an instructor for an apprenticeship program and served on the Labor-Management Joint Apprenticeship Training Committee for over twenty years. In 1995, he was elected Business Manager and Financial Secretary-Treasurer of Local Union 345 where he served as trustee to the health and retirement benefit trust funds.

SENATE APPOINTEE

Marc Holmes
3133 Spinning Rod Way
Sacramento, CA 95833

Marc Holmes has been working for a decade and a half to restore wetlands around San Francisco Bay, first as a volunteer for Sierra Club and then as a staff member of Save San Francisco Bay Association. As The Bay Institute's Baylands Restoration Program Manager, Mr. Holmes is recognized as an expert in wetland protection, policy and regulation, and has demonstrated an uncommon ability to develop long-term collaborative approaches to rejuvenating wetlands of San Francisco Bay.

PUBLIC ADVISORY COMMITTEE REP.

Gary Hunt, Partner
California Strategies, LLC
18800 Von Karman Avenue, Suite 190
Irvine, CA 92612

Gary Hunt brings over 30 years of experience in government, business, major land use planning and development to his positions as Partner of California Strategies and as Chairman of the Bay Delta Advisory Committee. Hunt spent 25 years with the Irvine Company, and directed the company's major entitlement, regional infrastructure, planning and strategic government, media, and community relations activities.

He has served on the Board of Directors of the California Business Roundtable, State Chamber of Commerce and other statewide business organizations. His political experience includes staff positions with the California State Legislature, U.S. House of Representatives, Governor Ronald Reagan, and Executive Director of the California Republican Party. Governor Davis appointed him to the State Infrastructure Commission and nominated him for an appointment by Secretary of the Interior, Gale Norton, to the California Bay-Delta Advisory Committee.

STATE MEMBERS

Michael Chrisman
Secretary for Resources
The California Resources Agency
1416 Ninth Street, Suite 1311
Sacramento, CA 95814

Michael Chrisman was appointed as Secretary of Resources by Governor Schwarzenegger on November 21, 2003. Since 1996 Chrisman has served as the region manager for Southern California Edison. Prior to joining Southern California Edison, he served as the undersecretary for the California Department of Food and Agriculture and as deputy secretary for Operations/Legislation for the California Resources agency. He was appointed president of the California Fish and Game Commission by Governor Pete Wilson and serves as the Chairman of the Board of both the Great Valley Center and the Sequoia-Kings Canyon National Parks Foundation.

Chrisman is the past president of the Agricultural Leadership Associates, a former member of the Central Valley Regional Water Quality Control and past director of the California Farm Bureau Federation. Chrisman is also former advisor to the Assembly Republican Caucus on agriculture, water and environmental issues and served as chief of staff to then-Assemblyman Bill Jones. He also oversees a family farming operation in Tulare county, a role he has filled since 1966.

STATE MEMBERS Cont.

Terry Tamminen
Secretary for Environmental Protection
California Environmental Protection Agency (Cal/EPA)
1001 I Street
Sacramento, CA 95814

Terry Tamminen was appointed as the Secretary of the California Environmental Protection Agency by Governor Arnold Schwarzenegger on November 12, 2003. From his youth in Australia to career experiences in Europe, Africa and all parts of the United States, Terry has developed expertise in business, farming, education, non-profit, the environment, the arts, and government.

In 1993, Tamminen founded the Santa Monica BayKeeper and served as its Executive Director for six years. He co-founded Waterkeeper programs in San Diego, Orange County, Ventura, and Santa Barbara and serves on the Board of the National Waterkeeper Alliance. From 1999-2003, he was the Executive Director of Environment Now in Santa Monica, a foundation dedicated to the restoration and protection of California's environment and natural resources.

Tamminen has served on numerous civic and charitable Boards and Commissions, including as Chair of the Public Advisory Committee to the Southern California Wetlands Recovery Project and on the U.S. Navy Pt. Mugu Naval Air Station Restoration Advisory Board, the Los Angeles/Long Beach Harbor Safety Committee and on the Board of the Wishtoyo Foundation, a group that preserves natural resources through Chumash Indian traditional teachings.

A. G. Kawamura, Secretary
Department of Food and Agriculture
1220 N Street
Sacramento, Ca 95814

A.G. Kawamura was appointed as Secretary of the California Department of Food and Agriculture (CDFA) in November 2003. Secretary Kawamura is a produce grower and shipper from Orange County, where his family grows strawberries, green beans and other specialty crops. He is a founding partner, along with his brother, Matthew, of Orange County Produce, LLC. At the time of his appointment, he was a member of the California

State Board of Food and Agriculture, where he had served since 1998. He is the immediate past chairman of the Agricultural Technical Advisory Committee for Fruits, Vegetables and Horticultural Products, a USDA advisory position for international trade. He also held board positions with CDFA's Western Institute for Food Safety and Security, a partnership with U.C. Davis, and with the California Institute for Specialty Crops, a partnership with Cal Poly San Luis Obispo.

In addition, Secretary Kawamura has served as president of the Orange County Farm Bureau, chairman of Western Growers Association, and president of the Orange County Agricultural Association. He has also served as a director on the boards of the California Strawberry Commission and the California Celery Research Advisory Board.

STATE MEMBERS Cont.

Linda S. Adams, Director
Department of Water Resources
1416 Ninth Street, 11th Floor
Sacramento, CA 95814

With nearly 30 years in State Government serving in the Executive and Legislative Branches, Linda Adams was recently appointed by Governor Davis as Director of the Department of Water Resources on November 13, 2003. She previously held the position of Legislative Secretary and prior to that Chief Deputy Legislative Secretary for the Davis Administration with primary responsibility for negotiating legislation related to resources and environmental protection.

Adams served for 20 years in the State Legislature, most recently as the Chief Consultant to the Senate Committee on Agriculture and Water Resources. She also served in various positions in the State Assembly, including Chief Consultant to the Assembly Committee on Water, Parks, and Wildlife.

Diana M. Bontá, R.N., Dr.P.H., Director
California Department of Health Services
714 P Street
Sacramento, CA 95814

Diana Bontá is the Director of the California Department of Health Services, overseeing a wide array of programs and services aimed at protecting the health of Californians. The Department is responsible for ensuring the safety of food and water, preparing responses to natural disasters and the threat of bioterrorism, and delivering other preventive health programs and services.

Prior to her appointment in 1999, Dr. Bontá served as Director of the Department of Health and Human Services for the City of Long Beach. In addition, she has held the positions of Deputy Executive Director of the Los Angeles Regional Family Planning Council, Regional Administrator of Rural Health Programs for the State of California, and various other positions in public health.

Sonke Manstrup, Director
California Department of Fish and Game
1416 Ninth Street
Sacramento, CA 95814

FEDERAL MEMBERS (non-voting)

Gale Norton, Secretary of the Interior
U.S. Department of the Interior
1849 C Street, NW
Washington D.C. 20240

Gale Norton was sworn in as the 48th Secretary of the U.S. Department of the Interior in January 2001, the first woman to head the 154-year old department.

Norton has made building cooperation and consensus the focus of her 25-year career.

From 1991 to 1999, she served as Attorney general of Colorado. Prior to her election as Attorney General, Norton served in Washington, D.C. as Associate Solicitor of the U.S. Department of the Interior, overseeing species and public lands legal issues for the National Park Service and the Fish and Wildlife Service. She also worked as Assistant to the Deputy Secretary of Agriculture and, from 1979 to 1983, as a Senior Attorney for the Mountain States Legal Foundation.

Wayne Natri, Acting Regional Administrator
U.S. Environmental Protection Agency
75 Hawthorne Street, 18th Floor
San Francisco, CA 94105
(415) 744-1001

Wayne Natri is the Administrator for the U.S. EPA's Pacific Southwest region. Natri has been active on a variety of environmental issues over the past fifteen years and has filled a number of positions within the environmental engineering and management field.

Prior to his appointment as Regional Administration October 2001, Natri was President of Environmental Mediation Inc., and environmental consulting firm, which he founded in 1995 in Newport Beach, CA. He previously directed the California office of the Jefferson group, a government and public affairs firm.

Colonel Michael J. Conrad, Jr.
District Engineer for Sacramento District
U.S. Army Corps of Engineers
1325 J Street
Sacramento, CA 95814-2922

Colonel Michael J. Conrad, Jr. has held a wide variety of command and staff assignments with the U.S. Army Corps of Engineers before coming to the Sacramento District. They include serving as a platoon leader and company executive officer with the 3rd Engineer Battalion at Fort Stewart, Georgia, and a company Commander and Battalion Personnel and Supply Officer for the 293rd Engineer Battalion in Baumholder, Germany. During a two-year tour with the 1st Cavalry Division at Fort Hood, Texas, Colonel Conrad served as the 20th Engineer Battalion Executive Officer and then as the Engineer Brigade Operations Officer.

Colonel Conrad's Corps of Engineers' assignments include serving as a research coordinator at the Corps' Information Technology Laboratory, Waterways Experiment Station, Vicksburg, Mississippi, and as Deputy Area Engineer and Deputy District Engineer with the New Orleans District. He then served as a joint staff officer with the United States Forces Japan at Yokota Air Base, Japan.

FEDERAL MEMBERS Cont. (non-voting)

Rodney R. McInnis
Acting Regional Administrator
National Marine Fisheries Service Southwest Region
501 West Ocean Blvd., Suite 4200
Long Beach, CA 90802-4213

Rod McInnis is currently the acting Regional Administrator for the National Marine Fisheries Service (a.k.a. NOAA Fisheries) Southwest Region which encompasses the States of California, Arizona, and Nevada. Mr. McInnis has 25 years of experience in conservation and management of living marine resources in the Pacific in his work for NOAA Fisheries and the Pacific Fishery Management Council. He has broad experience as an administrator and regulator in implementing the major Federal statutes and policies related the conservation of living marine resources, including the Magnuson-Stevens Fishery Conservation and Management Act, Marine Mammal Protection Act and the Endangered Species Act.

He has managed programs for fisheries observers, regulation formulation and writing, environmental impact analysis, habitat conservation, fishery management, and conservation of protected species. As the acting Regional Administrator, McInnis has represented NOAA Fisheries and the US in international negotiations with Pacific Island nations and Latin American nations and has participated in bilateral fisheries cooperation talks with several Pacific Rim nations.

Steve Thompson, Manager
CA/NEV Operations Office
U.S. Fish and Wildlife Service
2800 Cottage, Way, W-2606
Sacramento, CA 95825-0509

Steve Thompson has been the manager of the California-Nevada Operations Office since January 2002. Thompson oversees service programs in California and Nevada that employ approximately 784 Federal employees who administer the Endangered Species Act and Migratory Bird Treaty Act and manage 46 national wildlife refuges and three national fish hatcheries.

A 25-year career veteran of the U.S. Fish and Wildlife Service, Thompson was previously the Regional Chief for the National Wildlife Refuge System in the Service's Southeast Region, and the Geographic Assistant Regional Director for the Lower Mississippi River Valley. He also served for three years as Branch Chief for Resource management for the National Wildlife Refuge System Headquarters in Washington, D.C.

FEDERAL MEMBERS Cont. (non-voting)

Kirk C. Rodgers
Department of the Interior
Bureau of Reclamation

Mid-Pacific Region
2800 Cottage Way, E-1604
Sacramento, CA 95825

Kirk Rodgers is the Regional Director for the Bureau of Reclamation's Mid-Pacific Region. Appointed to this position in February 2002, he is responsible for one of Reclamation's best-known projects -- California's Central Valley Project (CVP), the Nation's largest irrigation project.

Rodgers joined Reclamation in July 1973. During his tenure, several major water management issues have been finalized. These include: the decision to dedicate 800,000 acre-feet of water for fish and wildlife restoration under the 1992 Central Valley Project Improvement Act (CVPIA); release of the CVPIA's Programmatic Environmental Impact Statement; and beginning re-negotiation of long-term water contracts for CVP water issues. Rodgers also oversees Reclamation's involvement in the California Bay-Delta Program.

EX-OFFICIO MEMBERS

Senator Michael J. Machado
California State Senate
State Capitol, Room 3086
Sacramento, CA 95814

Senator Michael J. Machado represents California's 5th Senate District and serves as chair of the Senate Agriculture and Water Resources Committee. He was elected to the Senate in November 2000 and represents portions of San Joaquin, Solano, Yolo and Sacramento counties.

Prior to that election, he represented the 17th Assembly District from 1994 to 2000. He was chairman of the Assembly Water, Parks and Wildlife Committee and authored numerous bills relating to water resources, including Proposition 13, the Safe Drinking Water, Clean Water, Watershed Protection, and Flood Protection Bond Act of 2000. Before entering the Legislature, Senator Machado served on the board of a major California food processor and worked for the Agency for International Development in Eastern Europe and Russia. He continues to own and operate a family farm in Linden.

EX-OFFICIO MEMBERS Cont.

Senator Charles Poochigian
California State Senate
State Capitol, Room 5087
Sacramento, CA 95814

Senator Chuck Poochigian represents the 14th Senate District, which includes all or portions of Fresno, Madera, Mariposa, San Joaquin, Stanislaus and Tuolumne counties. He serves as Senate Republican Caucus Chair and is vice chair of the Senate Agriculture and Water Resources Committee, and the Revenue and Taxation Committee. He is Chairman of the Constitutional Amendments Committee and the Select Committee on Central Valley Economic Development, and a member of the Committees on

Appropriations, and Elections and Reapportionment.

Prior to his election to the Senate in 1998, Mr. Poochigian served two terms in the Assembly. He previously served as appointments secretary for Governor Pete Wilson, assisting in the selection of judges and key administration officials and members of over 375 state boards and commissions. He was chief deputy appointments secretary under Governor George Deukmejian. Mr. Poochigian is an attorney and a third-generation resident of the San Joaquin Valley.

Assembly Member Joe Canciamilla
California State Assembly
State Capitol, Room 2141
Sacramento, CA 95814

Assembly Member Joe Canciamilla represents the 11th Assembly District and serves as chair of the Assembly Water, Parks and Wildlife Committee. He represents portions of Contra Costa County.

Prior to his election to the Assembly in 2000, Mr. Canciamilla served on the Pittsburgh City Council for two terms, including two years as mayor. He previously served on the Pittsburgh Board of Education. His legislative priorities for the 2003-2004 legislative session include budget reform, increased legislative oversight of state government programs, and approval of a comprehensive water infrastructure bond.

Assembly Member Rick Keene
California State Assembly
State Capitol, Room 5160
Sacramento, CA 95814

Assembly Member Rick Keene represents the 3rd Assembly District and serves as vice chair of the Assembly Water, Parks and Wildlife Committee. Prior to his election to the Assembly in 2002, Mr. Keene served as mayor of the City of Chico and served on the Chico City Council for seven years.

He previously served on the Chico Planning Commission as well as on several regional agency boards and commissions. He is an attorney and has maintained his own firm in Chico for 12 years.

BAY-DELTA AUTHORITY STAFF

Executive Director

Patrick Wright, Director
California Bay-Delta Program
650 Capitol Mall, 5th Floor
Sacramento, California 95814

Patrick Wright is the Director of the California Bay-Delta Authority. Wright was previously Deputy Secretary of the California Resources Agency, where he was the principal advisor to the Secretary on a variety of land and water policy and management issues. He also served on the Board of the California Coastal Conservancy.

Before joining the Resources Agency, he was a Senior Policy Advisor to the Regional Administrator of U.S. EPA in San Francisco. During this period, he also held a joint position as Senior Advisor to the Deputy Secretary of the Interior, through which he coordinated federal agency activities on water issues in California.

Wright has also held several positions in the Water and Air Divisions at U.S. EPA and in the Northeast Regional Office of the Trust for Public Land.

Wendy Halverson Martin, Chief Deputy Director
California Bay-Delta Program
650 Capitol Mall, 5th Floor
Sacramento, California 95814

Wendy Halverson Martin is the Chief Deputy Director of the California Bay-Delta Authority, overseeing the implementation of the California Bay-Delta Program and the operations of the California Bay-Delta Authority and its staff. Halverson Martin started with the Program in 1996. Prior to her role as Chief Deputy Director she was responsible for the leading the preparation of the programmatic environmental documents, including

the landmark Record of Decision signed by 23 agencies on August 28, 2000. Halverson Martin also served as the ecosystem restoration program manager for Program.

Prior to her career at the California Bay-Delta Authority, Halverson Martin worked as environmental staff for the California Department of Water Resources and the California Reclamation Board working on complex water, flood control and environmental issues.

Chris Stevens, Chief Counsel
California Bay-Delta Program
650 Capitol Mall, 5th Floor
Sacramento, California 95814

Chris Stevens is the Chief Counsel of the California Bay-Delta Authority. Prior to joining the Authority in July 2003, he served as General Counsel of the California Department of Food and Agriculture for nearly three years, and before that as a Deputy Legislative Counsel. Mr. Stevens has also worked as the Legislative Counsel for the Republic of the Marshall Islands and as an attorney for the Hawaii State Senate. He began his career as a

corporate associate with Coudert Brothers in New York. Mr. Stevens received his BA from UC Santa Barbara and his JD from UC Berkeley (Boalt Hall) School of Law.

BAY-DELTA AUTHORITY STAFF Cont.

Kate Hansel, Assistant Director for Policy and Finance
California Bay-Delta Program
650 Capitol Mall, 5th Floor
Sacramento, California 95814

Kate Hansel is the Assistant Director of Policy and Finance. Hansel has worked on environmental and fiscal issues for over 20 years, currently overseeing the program planning, interagency budget coordination and development, and development of the long-term finance plan. Over the last 5 years she has been involved in numerous activities including the development of the new governance structure, supporting the Program's Policy Group, and managing the first round of the ecosystem restoration grants.

Prior to her career at the California Bay-Delta Program, Hansel worked as Wetlands Coordinator for Department of Water Resources where she promoted wetland projects as part of the Governor's Wetland Initiative. She also served as Senior Fiscal and Policy Advisor at the Legislative Analyst's Office advising the California Legislature on water, environmental health, and toxic issues.

Sam Luoma, PhD, Lead Scientist
California Bay-Delta Program
650 Capitol Mall, 5th Floor
Sacramento, California 95814

Dr. Samuel N. Luoma is a Senior Research Hydrologist with the US Geological Survey. Since 2000 he has served as the first Lead Scientist for the California Bay-Delta Authority, responsible for building and sustaining a balanced, credible science effort to aid the Authority in accomplishing the goals of the Bay-Delta Program.

He joined USGS in 1974 and has served as a project chief since 1975. For the past 25 years he has conducted research in San Francisco Bay, the estuaries of the United Kingdom and the Clark River of Montana. His work on this subject has resulted in more than 130 publications in peer-reviewed scientific literature. In 1984 he authored a textbook, "Introduction to Environmental Issues."

He received his Bachelor of Science and Master of Science degrees from Montana State University, and a PhD in zoology from the University of Hawaii.

Kim Taylor, PhD, Deputy Director for Science
California Bay-Delta Program
650 Capitol Mall, 5th Floor
Sacramento, California 95814

Dr. Taylor is the Deputy Director for Science for the California Bay-Delta Authority and works closely with the Lead Scientist and Bay-Delta Program agencies in program design and implementation. Prior to the Authority, she was the Bay-Delta program chief at the Sacramento office of the USGS and has also worked for the state for 10 years developing long-term pollutant management policies and overseeing a multi-agency regional monitoring effort.

Her research interests are in the field of knowledge utilization in resource management. Taylor's work in these areas has resulted in numerous published works. She received her PhD from Berkley in Energy and Resources.

12/19/2003

BAY-DELTA AUTHORITY STAFF Cont.

Jennifer Galehouse, Deputy Director for Legislation
California Bay-Delta Program
650 Capitol Mall, 5th Floor
Sacramento, California 95814

Jennifer Galehouse is the Deputy Director for Legislation and External Affairs for the Bay Delta Authority overseeing legislative and outreach programs. For nearly four years prior to joining the Authority, Galehouse was the Assistant Secretary for Legislation at the California Resources Agency, where she managed the legislative programs of the Agency and its constituent departments and advised the Secretary and Governor's office on pending legislation affecting natural resources.

Before joining the Resources Agency, she was the legislative advocate for the Association of California Water Agencies (ACWA) responsible for lobbying a variety of water, environmental and budget issues. Galehouse has also held several staff positions in both the State Senate and Assembly working as a press secretary and consultant to elected Members and policy committees of the Legislature. She began her legislative career in 1990 as a recipient of the Jesse Marvin Unruh Assembly Fellowship where she served as staff to the Assembly Revenue and Taxation Committee while completing the required graduate studies.

Keith Coolidge, Deputy Director for Communications
California Bay-Delta Program
650 Capitol Mall, 5th Floor
Sacramento, California 95814

Keith Coolidge is Deputy Director of Communications, managing and overseeing a coordinated communications approach for the Authority Board, Bay-Delta Public Advisory Council, Public Affairs, Tribal Relations and Environmental Justice functions. Coolidge has been actively involved in the joint federal and state efforts to restore the ecosystem of California's Bay Delta, most recently as the Associate General Manager of the Municipal Water District of Orange County.

He has served on the Board of Directors and several committees for the Association of California Water Agencies and Independent Special Districts of Orange County. Prior to his work in the water industry, Coolidge was executive assistant to the director of Orange County Environmental Management Agency. Before joining government service, he served in several editorial and management positions for Freedom Newspapers, Inc., lastly as Commentary Editor for *The Orange County Register*.

BAY-DELTA AUTHORITY STAFF Cont.

**Dan Castleberry, Deputy Director for Ecosystem Restoration
California Bay-Delta Program
650 Capitol Mall, 5th Floor
Sacramento, CA 95814**

Dan Castleberry is the Deputy Director for Ecosystem Restoration of the California Bay-Delta Authority, managing and overseeing the implementation of the Ecosystem Restoration element of the Bay-Delta Program. Castleberry started with the Program in 2001.

He managed the Project Implementation Division of the Fish and Wildlife Restoration Program, a program focused on coordinating the United States Fish and Wildlife Service's efforts to help implement the Bay-Delta Program and the Central Valley Project Improvement Act. Prior to that, Castleberry managed the Anadromous Fish Restoration Program, established by the Central Valley Project Improvement Act and focused on increasing natural production of anadromous fish in the Central Valley. Before taking these positions, Castleberry spent more than 10 years in research positions and was involved in a wide range of studies on fishes in California's Central Valley rivers, coastal bays, and desert streams, as well as work with fisheries in the Klamath and Columbia rivers.

**Rick Breitenbach, Deputy Director for Administration
California Bay-Delta Program
650 Capitol Mall, 5th Floor
Sacramento, California 95814**

Rick Breitenbach is the Deputy Director for Administration. He has led the effort to prepare the CALFED Programmatic EIS/EIR and is currently responsible for the Authority's administrative functions. He began his career with the U.S. Fish and Wildlife Service working in Sacramento and Rock Island, Illinois. Breitenbach has worked on conservation issues for more than 30 years, working with the Bureau of Reclamation since 1984 and on loan to the Program since 1995.

Prior to joining the Bay-Delta Program, Breitenbach worked on several multi-agency comprehensive planning programs including Upper Mississippi River, San Luis Drain and Central Valley Project Improvement Act.
